

■Google Scholar の Full Text Finder リンク設定方法(ブラウザごとに設定が必要)

① Google Scholar の「設定」を開く

The screenshot shows the Google Scholar settings page. The left sidebar includes 'マイライブラリ', 'Labs', and a '設定' button, which is highlighted with a red box. The main area displays the Google Scholar logo and search bar, with the text '巨人の肩の上に立つ' (Stand on the shoulders of giants) below it.

③ 「岡山県立大学」と入力して検索する 「Full Text Fineder 岡山県立大学」にチェックして保存する

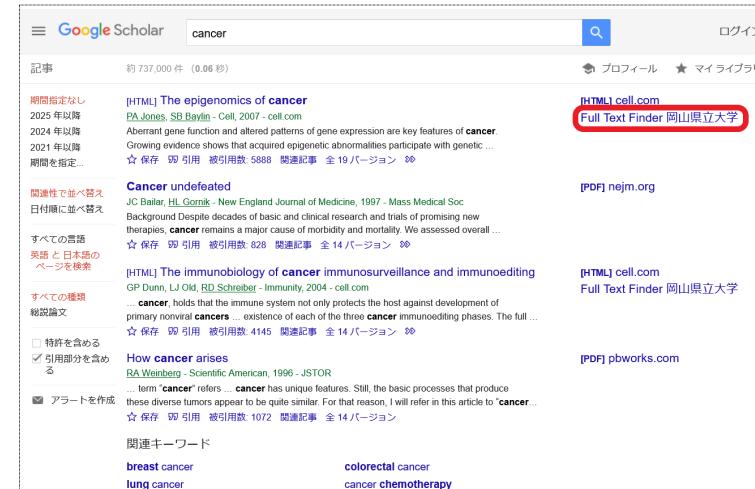

The screenshot shows the '設定' (Settings) page for Google Scholar. Under '検索結果' (Search results), the '図書館リンク' (Library link) section is selected. A search bar contains '岡山県立大学'. Below it, a checkbox for 'Full Text Finder 岡山県立大学' is checked and highlighted with a red box. At the bottom, the '保存' (Save) button is highlighted with a red box.

② 「図書館リンク」を開く

The screenshot shows the '設定' (Settings) page for the '図書館リンク' (Library link) section. It includes options for 'ページあたりの表示件数' (Number of results per page) and '結果ウインドウ' (Result window). The '保存' (Save) button is highlighted with a red box.

④ 検索結果に「Full Text Finder 岡山県立大学」が表示される

The screenshot shows Google Scholar search results for the term 'cancer'. The results list includes several entries, and the 'Full Text Finder 岡山県立大学' link is highlighted with a red box next to the document titles.
